

GALAPAGOS - LYRICS

IN THE NINETEENTH CENTURY
DARWIN LEFT TO SAIL THE SEA
SAID GOODBYE TO SHREWSBURY
LOOKING FOR ADVENTURES NEW
FLOATING ON THE WAVEY BLUE
SEARCHING THEN HIS DREAMS CAME TRUE

SEE THE BEAGLE REACH
LANDED ON THE BEACH

I'M GONNA TRY
TO MAKE SENSE OF ALL THIS VARIATION
I WONDER WHY
I'LL EXPLAIN IT ALL THROUGH EVOLUTION
GALAPAGOS
SHOWS A GRADUAL CHANGE IN THE POPULATION
GALAPAGOS
IS EVIDENCE FOR NATURAL SELECTION

ANIMALS UPON THE SHORE
OPEN EYES LOOKING IN AWE
SEEING MUCH MORE THAN BEFORE
LIZARDS TAKING UP THE LAND
RAINBOW CRABS WALK IN THE SAND
HOLDING WONDER IN MY HAND

SEE THE BEAGLE REACH
LANDED ON THE BEACH

I'M GONNA TRY
TO MAKE SENSE OF ALL THIS VARIATION
I WONDER WHY
I'LL EXPLAIN IT ALL THROUGH EVOLUTION
GALAPAGOS
SHOWS A GRADUAL CHANGE IN THE POPULATION
GALAPAGOS
IS EVIDENCE FOR NATURAL SELECTION

FINDING OUT NEW THEORIES
ORIGIN OF SPECIES

I'M GONNA TRY
TO MAKE SENSE OF ALL THIS VARIATION
I WONDER WHY
I'LL EXPLAIN IT ALL THROUGH EVOLUTION
GALAPAGOS
SHOWS A GRADUAL CHANGE IN THE POPULATION
GALAPAGOS
IS EVIDENCE FOR NATURAL SELECTION
