

ROBOT AND ME - Lyrics

LET'S BUILD A ROBOT AND WE'LL SEND IT INTO SPACE
BLAST THROUGH THE PLANETS WITH A SMILE UPON ITS FACE
FRESH FROM THE FACTORY, IT'S PROGRAMMED TO EXPLORE
YOU'RE ONLY METAL BUT IT FEELS LIKE SO MUCH MORE

DANCING THROUGH ANY WEATHER
HELPING 'COS YOU'RE SO CLEVER
WORKING TO MAKE LIFE BETTER
ROBOT AND ME (WAIT AND SEE)

EASE THE LOAD. CARRY ME FAR EVEN IF IT'S HOT OR COLD
I KNOW, YOU'LL BE SHINING IN YOUR SILVER SUIT
NEVER SLOW. CHASING THE STARS YOU AIN'T NEVER EVER GETTING OLD
HOLD ON, I'LL MAKE SURE THE RUST WON'T GET TO YOU

LET'S BUILD A ROBOT THEN WE'LL SEND IT TO THE MOON
DEEP UNDERWATER, EVEN CRUISE IN THE LAGOON
TEACH IT TO BRUSH MY TEETH AND ALL MY SECRETS KEEP
IT READS A BOOK TO ME SO I CAN FALL ASLEEP

DANCING THROUGH ANY WEATHER
HELPING 'COS YOU'RE SO CLEVER
WORKING TO MAKE LIFE BETTER
ROBOT AND ME (WAIT AND SEE)

EASE THE LOAD. CARRY ME FAR EVEN IF IT'S HOT OR COLD
I KNOW, YOU'LL BE SHINING IN YOUR SILVER SUIT
NEVER SLOW. CHASING THE STARS YOU AIN'T NEVER EVER GETTING OLD
HOLD ON, I'LL MAKE SURE THE RUST WON'T GET TO YOU

TURN THE COGS AND FLIP THE SWITCH
KEEP ON TICKING, SKIP THE DITCH
ROBOT AND ME

LET'S BUILD A ROBOT AND WE'LL SEND IT INTO SPACE
BLAST THROUGH THE PLANETS WITH A SMILE UPON ITS FACE

EASE THE LOAD. CARRY ME FAR EVEN IF IT'S HOT OR COLD
I KNOW, YOU'LL BE SHINING IN YOUR SILVER SUIT
NEVER SLOW. CHASING THE STARS YOU AIN'T NEVER EVER GETTING OLD
HOLD ON, I'LL MAKE SURE THE RUST WON'T GET TO YOU

HOLD ON, I'LL MAKE SURE THE RUST WON'T GET TO YOU
I KNOW, YOU'LL BE SHINING IN YOUR SILVER SUIT
